**WE ARE IMPLEMENTING A PAYMENT POLICY AND A NEW MAKE-UP POLICY:** It will now be required for all customers to save their credit card on your account for autopay payments.

We offer make-up classes as a courtesy to our customers. However, make-up spots are not guaranteed and may not be available. Please read the information on the following page to familiarize yourself with these new policies.

**REFUND POLICY:** There will be a \$6 processing fee per child deducted from any refund. However, no refunds will be given once the first class of each month has begun. Registration fees are non-refundable.

**POLICY CHANGES - Please read the information below carefully.**

**AutoPay**

It will now be required for all accounts to be enrolled in the AutoPay program for recurring billing. When accessing your account through the Customer Portal, you will now be required to save your credit card information. Customers enrolling over the phone will also be required to provide credit card information to be entered in your account. Once enrolled, your monthly tuition payments will then be autodrafted on the 24th of the month for the upcoming month. If you would like to remit payment using a different card than the card saved on your account, you have the option of changing the credit card information on your account or remit payment through the Portal or by telephone before the 24th of the current month using a different credit card. Please note: If you plan on ending a student's enrollment you must inform us **before the 24th of the month** so we may delete your payment information from your account.

**NEW MAKE-UP POLICY FOR RECREATIONAL STUDENTS**

**(Non-Team)**

We will now allow only ONE (1) make-up class per month if students miss classes for general reasons and proper advanced notice is given of the absence (see \* information below). To maximize learning we strongly recommend you attend your regular class each week, except when you are sick, we encourage you to stay home. Make-ups are a courtesy we offer you and are limited to space availability. Advanced registration is **REQUIRED** for ALL make-ups. Please contact us for any extenuating circumstances that require multiple make-up options.

Recreational students who cannot attend their normally scheduled class will be offered to attend a Make-Up Open Practice time slot as a make-up. Make-Up Open Practices will be held one (1) Friday and one (1) Saturday per month (times to be determined). A Coach/Instructor will supervise this activity, however, there will be no instruction during this time. This activity will be for actively enrolled students only, and other siblings or friends are not eligible to attend. As in our regularly scheduled classes, parents are welcome to view from the lobby area or leave the facility. If leaving the facility we ask that you sign-out on the sign-out sheet located on the lobby desk just in case we need to get in touch with you. Students enrolled in Gym Tots, however, will be required to have **one parent (only) participate with their tot.**

\* Students enrolled in Gym Tots, KinderGym or OGA Beginner, Intermediate/Advanced or Tumbling classes may attend **one (1) Make-Up Open Practice** time slot per month as a make-up time for any **excused absence(s)**. Only one (1) absence per month will be eligible for a Make-Up Open Practice and only if your account is in good standing and student is currently enrolled. In order to qualify for an excused absence, you must notify our front desk representative(s) or contact the office by phone or voicemail **at least 2 hours before your regularly scheduled class** to notify us of the expected absence. **All notices through email must be received 24 hrs. in advance of your class time. Facebook notices will not be accepted. Absences will not be eligible for a credit or refund.** Make-up Open Practices must be completed within the current schedule or session (School-Year or Summer Sessions 1 or 2) and may not be carried over to other schedules.
