

MAKE-UP CLASSES

Recreational students that cannot attend their normally scheduled class may be eligible to attend a make-up class. Please notify front desk personnel or contact the office by phone, or voicemail at least 2 hours before your regularly scheduled class to notify us of the expected absence. **All notices through email must be received 24 hrs. in advance of your class time.** A make-up class date and time must be scheduled with the office so that we can ensure proper student ratios in all classes.

Make-up classes will be scheduled in the student's same class level within one month of the scheduled absence as long as the student is currently enrolled in classes. All make-ups are offered as a courtesy upon availability and are not guaranteed. Student absences are not reimbursable or eligible for credit. **You must have an account in good standing before make-up classes can be scheduled.** Once a make-up class is scheduled it may not be rescheduled for any reason.

We also offer Open Gym or Open to the Public coupons for a scheduled absence, in lieu of a make-up class.
